Uniformity

States need to work together in an effort to make permitting safer, more efficient, and less difficult.

- Some examples where states need uniformity:
 - Digital Permitting
 - Tandem Permitting
 - Tridem Permitting
 - Night Travel
 - Weekend Travel
 - Escort Requirements
 - Highway Patrol

United States

Digital Permits

Gray Accepted

Yellow Unknown

Red Not Accepted

Blue Currently paper only, but digital being implemented

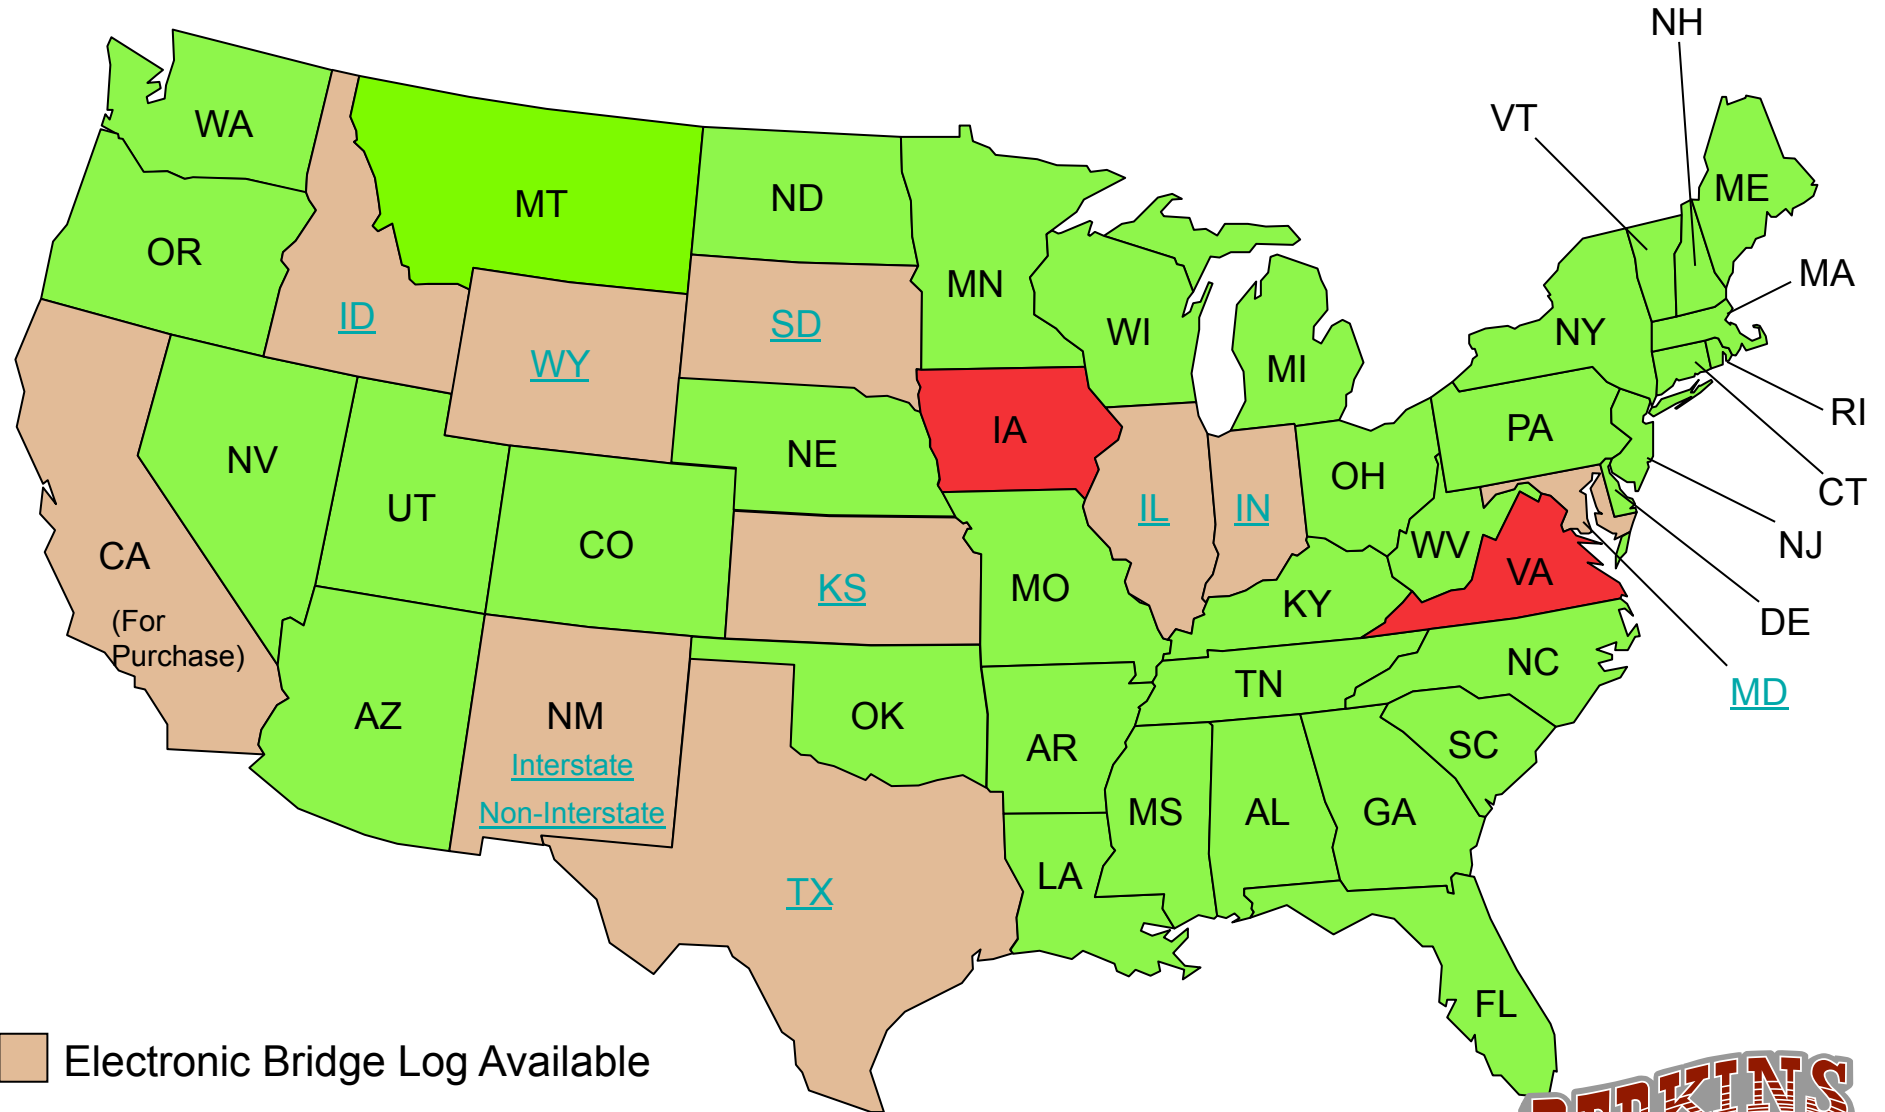

Green Contacted

* - State asked for input/advice
